PROCLAMATION

BY THE PROVISIONAL GOVERNOR OF SOUTH CAROLINA.

EXECUTIVE DEPARTMENT S. C.

SEPTEMBER 4, 1865.

WHEREAS a seeming conflict of jurisdiction having arisen between the civil and military authorities of South Carolina, under the Provisional Government of the State; and whereas, Major-General Gillmore, commanding the Department of South Carolina, having sought an interview with me, as Provisional Governor, in the presence of Major-General Meade, commanding the Atlantic States, and whereas all matters giving rise to the seeming conflict were adjusted and arranged with the consent and approval of Major-General Meade:

Now, therefore, I, BENJAMIN FRAMP- TON PERRY, Provisional Governor of the State of South Carolina, do proclaim and make known, that the terms of this arrangement are as follows: "That in all cases where freedmen or persons of color are concerned the Courts of the Provisional Government shall have exclusive cognizance to try and adjust them, for the present; and that all other cases shall be heard and adjudicated by the civil courts, municipal authorities and civil officers under and according to the laws of South Carolina. That the civil courts shall be opened under the Provisional Government, and all civil and municipal officers be allowed to resume their official duties and discharge them freely without interruption on the part of the military authorities. That it is further understood General Gillmore will issue a military order and Governor Perry will in like manner issue his proclamation, making known this arrangement, which is to continue till civil authority is entirely restored in this State and the Government reconstructed."

And I do hereby call upon all persons and order them to strictly obey and carry out the terms of this arrangement.

Done in the city of Columbia, the day and year above stated.

B. F. PERRY.

By order of the Provisional Governor.
